Big Sisters of Rhode Island is committed to positively impacting the lives of children at risk. Our mission is to reduce each child's vulnerability and enable them to thrive emotionally, socially, and academically; to help them grow into strong, confident young adults ready to reach their full potential. In 1997, we established the Donation Center for financial support. The Donation Center sells clothing and other items to local Savers thrift stores. Proceeds provide a major portion of the Big Sisters agency funding.

Executive Women's Golf Association (EWGA) - Since its founding in 1991, the EWGA has touched the lives of more than 85,000 women providing opportunities to learn, play, and enjoy the game of golf for business and life. This not for profit association delivers a wide range of golf, social and networking activities for both new and experienced golfers to nearly 20,000 members at over 120 local chapters in the United States, including Rhode Island, with International Chapters in Canada and France.
